Have You Heard Of Fieldbloom?

Looking to gather customer feedback, capture leads, create a contact form or survey event attendees any time soon? Fieldboom makes it easy to design beautiful surveys and online forms in less than 5 minutes.

You can analyze responses one-by-one and also tag them with labels, star them and mark them as read or unread (just like Gmail). You can also use the simple but powerful reports to understand trends in the feedback you're receiving.
